COSTUME ORDER

Costume order for Prime Dress designs is Friday, September 6. Please take time to go onto ours or their website and submit your order before then. A new policy and procedure form has been set in place for Prime. If you can please review this form. There is now a \$15 late fee on submissions done after the due date. I know how hard it is to remember important dates! They want to be fair to everyone ordering from the school, late submissions messes up everyones date when costumes are delivered.
