

Reopening

We are reopened. Please do not attend if a member in your household is feeling ill or has a compromised immune system. For anyone that doesn't want to join our reopening please stay home and use our free online Zoom classes. If the modified dance schedule does not work for you, please use our free online zoom classes. Upon returning, families must sign a waver that the Kanaley School of Irish Dance is not liable for anyone who attends dance classes and contracts Covid-19. Participants must agree to attend class at their own risk.

Zoom classes and Google Classroom lessons will continue until June 19th free of charge. Zoom lessons are Monday through Friday from 9:00-9:40 for Beginners-Novice and 8:00-8:40 for Prizewinners-Champions.

At Class

All classes are at 604 RT 6A in East Sandwich. The studio windows and doors will be open for air flow. Frequently touched surfaces are being wiped down between classes. Classes have a maximum of 7 dancers in a lesson. Please do not allow dancers to enter studio sooner than 5 minutes before their scheduled class. Parents, please wait in the car, do not enter the studio or congregate in front of the studio. Hand sanitizer and frequent hand washing will be encouraged. All members, teachers, students, and parents must remain 6 feet apart. It is the dancer's choice to wear a face mask to class as long as they are remaining 6 feet apart. I will wear a mask. Please "carry in - carry out" all trash. Please do not bring a dance bag. Shoes and waters only in the studio. Students should not bring anything with them they will not need for class.

Schedules

Summer Session July 13th-August 28th

I(parent) am the parent of

I agree that if my child, myself, or a member of my family contracts Covid-19 while attending lessons at the Kanaley School of Irish Dance, Colleen Kanaley Dow and all staff members are not responsible. I will not take legal action against Colleen Kanaley Dow, all staff, and members of the Kanaley School of Irish Dance if a member of my family contracts Covid-19 while attending dance lessons. No one in our family has been advised to quarantine or tested positive for Covid-19.
